Gasoline Tax Distributed To 351 Cities

A record total of \$30,427,652 in State gasoline tax revenues has been apportioned to 351 cities in California for city street work and engineering during the current fiscal year, State Director of Public Works C. M. Gilliss announced today.

This is more than \$1,000,000 over last year's record of \$29,219,479.

The total apportionment to Torrance for the fiscal year ending June 30, 1958, was \$271,370.62.

The gas tax distributed to cities for street work is the revenue from five-eighths of a cent per gallon out of the State gasoline taxes paid by highway users. It is apportioned by the State Division of Highways from the State Highway Fund according to law on a population basis.

The additional allocation to cities for engineering, also apportioned on a population basis, is taken from other state

Boosters to Raise Funds

Torrance Boosters Club, under the leadership of Don Fulton, has outlined plans for raising funds during the year.

The group's annual fireworks stand will be placed on the northwest corner of Carson St. and Crenshaw Blvds. from June 28 through July 4.

Indian Story

The Children's Theater of the Hermosa Beach Playhouse is presently in its fourth and final week of "The Indian Captive," an authentic and true story of the capture of a white girl among the Seneca Indian tribe in the late 1700's.

Performance of the play are presented Saturday and Sunday afternoon with shows starting at 1 p.m. and 3 p.m.

Highway funds and varies from a minimum of \$1000 for cities under 5000 population to a maximum of \$20,000 for cities with more than half a million people. Torrance will receive \$7500 from this fund.

OLD RECIPES

Recipes for making ice cream go back as far as 1862.

are you waiting for what I was?

Let me tell you what I saved when I drove a new Plymouth...then bought one!

Just like a lot of other people, I was putting off buying a new car... even though we sure needed one. Then I found out what my Plymouth dealer was offering in the way of low prices and really big trades.

Mister, when I saw what I saved I knew there was no use putting off any longer! Got more for my old car than I believed possible. (Plymouth dealers need used cars and can sell all they get!) Got a terrifically low price on the new Plymouth... and choice of models besides... hard-tops, sedans, convertibles, wagons.

And I saved a cool \$140 on the ride alone! Plymouth's top-luxury ride, Torston-Aire Ride, is standard at no extra

cost, while you have to pay up to \$140 for the top side of competing "low-price 3" cars.

What's more, I got the car that proved it can save me gasoline, by winning the 1958 Mobilgas Economy Run. A car with Silver Dart Styling that is so far ahead right now it will still be worth more when I trade. With the kind of easy handling that makes every minute of driving a downright thrill! The stamina to stand up without nagging adjustments and big repairs... a car as much better built as it is better looking!

Any wonder I quit waiting? Take my tip... get your Plymouth bargain right now.

Today's best buy...tomorrow's best trade... **Plymouth**
